Acknowledgement of Country

Let’s begin by acknowledging the Traditional Custodians of the many lands on which we meet today.

We acknowledge and respect their continuing connection to the land, water, culture and the contribution they make to the life of our community.

We pay respect to their past and present Elders and their emerging leaders, and extend this respect to all Aboriginal and Torres Strait Islander peoples.

Our task

Imagine Stonnington in 2040. Consider what may have changed that makes you feel proud, inspired and connected to your community.

With this in mind, **what is our vision for Stonnington to be the best place to live, work, study and play for all in 2040?**

What can we influence?

- **Community Vision** for Stonnington & future characteristics of the city
- **Principles** that support the Vision
- Council's **long-term areas of focus** & **priorities** to achieve the Vision
- What Council should **advocate** to other stakeholders for
- High level measures of success

What is out of scope?

- **Who** the vision serves – the vision serves **all communities** of Stonnington
- Compliance with **legal requirements** & **State Government directives**
- Structure of **governance** within Council

Council's promise to you

- Base the **Community Vision** on **your recommendations** to the greatest extent possible
- Identify where the **People's Panel recommendations** have influenced the Community Vision
- Identify where we **can't incorporate a recommendation** from the Community Panel and **clearly explain why**

Sample report

Stonnington 2040: Imagine Stonnington in 2040. Consider what may have changed that makes you feel proud, inspired and connected to your community.

With this in mind, ***what is our vision for Stonnington to be the best place to live, work, study and play for all in 2040?***

In one or two sentences describe how you would like Stonnington to be in 2040. Please outline a Vision Statement that sets out our communities aspirations.

Identification of the relevant principles to help achieve the Vision

Explain what the principles mean and why they are important

Detail what success will look like and whom might be involved.

Our working agreements

What do we do if….

Someone won't compromise or yield any ground on an idea/thought?

Someone speaks to someone in an 'angry' manner?

We simply don't agree?

We are agreeing too quickly without discussion?

Other situations?
